

# Lots 50-56

**ESPECIALLY FOR THE INVESTOR...** The following 7 lots are embryos created for the 2013 Million dollar Bull futurity that we were not able to get into recipient cows so we are selling them as NON-MILLION DOLLAR FUTURITY embryos, but what a great chance for you to raise some great animals. You can take possession of these embryos or we can manage them for you and get your embryos into recipient cows in 2011. All you pay is a \$75 transfer fee and \$1,500 per live, healthy, weaned calf. If the cow does not accept the embryo, you only pay a \$75 transfer fee. This is a great chance to raise a buckler from the womb. On all lots, except Lot 54, conventional semen was used and on Lot 54 sexed male semen was used

**3 EMBRYO PACKAGE**  
SIRE: HOUDINI  
DAM: M526(ONE MORE DIP'S MOM)

M526 is a daughter of Reindeer Dippin and also goes back to Houdini so not only will your baby calves be One More Dip's brothers and/or sisters, they will also be double bred Houdini calves.

**EXCLUSIVE GENETICS**  
**7 EMBRYO PACKAGE**  
SIRE: HOUDINI  
DAM: 88(SPLIT THE SEA'S MOM)

Cow 88 is a proven producer as she has already produced two buckers. When they raise one it is sometimes luck, but when they raise two it's no accident. Cow 88 is also a daughter of 4X NFR bull Slick Willie and the Slick Willie gene puts the kick in your calves that separates the great ones from the good ones. Cross that with Houdini and you know THE REST OF THE STORY!

**15 EMBRYO PACKAGE**  
SIRE: HOUDINI  
DAM: 2782(EXODUS)

Same as previous lot or almost the same. The dam of these embryos is also an Exodus daughter but there is something special about this Exodus daughter. She has some sons in the 2011 MDF. On Buck Day for the 2011 MDF we bucked 59 bulls that are in the 2011 MDF and we scored them. The #1 scoring bull-The Captain is a son of Cow 2782. The #3 scoring bull-Hot Corner is a son of Cow 2782. The #4 scoring bull-Independence Day is a son of Cow 2782 and the #7 scoring bull-Hillbilly Bucks is a son of Cow 2782. The bottom line is you could be buying embryos that may turn into bulls sons of the same Cow that raises the first ever bull to win \$500,000.

SIRE: LAST CALL  
DAM: 26 (RED WASP)

If we had to select genetics outside of our herd that we would vote as the best ever, Red Wasp would definitely be in the Top 5. We have seen Red Wasp genetics work several times including again this year at futurities with a son of Red Wasp we hauled named The Colonel. Last Call is a son of Houdini and a past ABBI champion futurity bull. These calves should be outstanding!

SIRE: PANDORA'S BOX  
DAM: M1 (CHANGE UP'S MOM)

Pandora's Box is not only a legend in the PRCA and the PBR but also known as the bull that lasted longer than any previous professional bull. So you get longevity in these embryos but let's talk about the mother of these embryos. Cow M1 is a daughter of Houdini and even more important a producing daughter of Houdini. Her current son, Change-Up is Jonathan Jaynes' 2010 NBBA youth futurity bull and a great one with a lot of potential to be a superstar once he gets a rider on his back.

## 2J BUCKING GENETICS

**01, 02, & 03** THREE FULL SISTERS

DOB: 1/18/2010 - ABBI#: 10113441

SIRE: FEVER'S RISING(EXODUS)

DAM: 791(STORMY NIGHT'S MOTHER)

The final three lots of The Mega-Female Sale are something special and we are selling them as choice so the high bidder can choose the one they want or take two or three by multiplying their bid. These 3 heifers offer someone the chance to add three females to their breeding program that should be AUTOMATIC for raising buckers. Here is why. We know these genetics work for several reasons. They are full sisters to a bull called Stormy Nights that was a year end champion in the NBBA and also did well as a three year old in the NBBA, winning his share of money. Also we have proven over and over again that the Exodus genetics work and more importantly the direct line of Fever's Rising has proven to be extremely successful.

DOB: 4/15/2009 • ABBI#: 10096157  
SIRE: HOUDINI  
DAM: WHEELER 296(A6)

Can you believe we are starting the 2011 Futurity bulls with a son of Houdini? I am sure it is not a surprise as he has been the sire of more great futurity bulls than any other sire, and it sure looks like he has done it again.

DOB: 2/2/2009 • ABBI#: 10101185  
SIRE: AR286(BACKLASH)  
DAM: -63(PAGE 3D5)

The sire to this bull is a son of Backlash and the Pages will tell you that Backlash may be one of the best sires they have ever used and considering there are 43 sons of Backlash listed on ProBullStats.com, it would be hard to argue with The Pages. This bull also has genetics that go back to Mossy Oak Mudslinger, Broke Back V and Super Dave so his DNA definitely has the best of the Page genetics. Those genetics mixed with a bull that bucks like this and you have something special.

DOB: 3/2/2009 • ABBI#: 10095484  
SIRE: BEST SHOT (HOUDINI)  
DAM: AR335(COWBOY DREAMIN)

The genetics on the mother to this cow are unbelievable. When you dig back in the genetics you find that she is TRIPLE BRED White Sports Coat and has genetics that go back to Houdini and Rooster. The sire to this bull was a bucking dude used at PBR events that was also a son of Houdini which makes this bull calf DOUBLE BRED Houdini so he is QUADRUPLE BRED White Sports Coat. This bull is **OVER THE TOP** in genetics, and from the looks of the videos he will be at the top of the winner's sheet.

DAM: AR338(RAFTER 7R 995)

Houdini, Spook, Copenhagen Wild Thing, White Sports Coat, Automatic, and Kung Foo are all in this bull and some of them two and three times. If you ever wondered why Jim Anderson is able to raise bucking bulls, just look closely at the papers on his cows and you will see why. **IT'S NO ACCIDENT**. He is supposed to be successful, and when you look at the papers of this bull he is supposed to buck and he does.

DOB: 1/2/2009 • ABBI#: 10114776  
SIRE: JASON'S PET(BS605)  
DAM: R95(ROBINSON 011)

Let's talk about genetics that work. The sire to this bull is a son of BS605 (son of A6 who is sire to Hotel California). BS 605 is also the sire to Peddlehead who is the sire to Jed Clampett. I hope we have not confused you because there is more. Robinson 011 is double bred Houdini, and this bull also has genetics that go back to Yellow Jacket and Slick Willie. All that's great, but they still have to buck, and from the looks of this video, this bull is using his DNA and ready to make someone some money.

DOB: 2/15/2009 • ABBI#: 10114780  
SIRE: XS593(A6 X WOLFMAN)  
DAM: PENDING

Look at the genetics of the sire and you will realize why this bull bucks like he does. The sire is a son of A6 and a grandson of Wolfman - two bulls well known for helping create fast spinning bulls. This bull has everything you need to win at futurities. The dam did not match but Fred hopes to have that taken care of by sale day.

DOB: 4/5/2009 • ABBI#: 10114788  
SIRE: WARPAIN(606)  
DAM: ROBINSON BREEDING

Fred could not get the dam to match on this bull so there will be a penalty when you enter an ABBI event. The sire of this bull goes back to A6 (can you tell Fred likes A6). Just watch the video as it sure looks like this one may be worth a \$250 penalty to enter an ABBI especially if WINNING is what you like to do. Would you trade \$250 for \$100,000?

DAM: ROBINSON BREEDING

Wow! What a chance at a great Derby & Classic bull. Fred is working to get the dam to match on this one. If he does not you will have to pay a penalty of \$250 at ABBI events, but there is not a penalty at NBBA events. Would you trade \$250 for \$250,000? That is what the ABBI Classic Finals pays to win it. Remember when you watch this video he is only 2 1/2 years old. Try to imagine this bull with another 500 pounds.

DOB: 1/8/2009 • ABBI#: 10090271  
SIRE: PALACE STATION'S DEUCES WILD  
DAM: 5328 (LOCK & LOAD)

It's time for BBD bulls, and we wanted to start with a STUD! His dad was a stud in the PBR and it looks like COUGAR COUNTRY is going to take after dad. Usually the bulls that sell early are the best buys. Don't be afraid to raise your hand early if you want to win in 2011. **WE ARE SELLING 50% OWNERSHIP** in this bull but buyer will have the option to double their bid and purchase 100%.

DOB: 4/9/2009 • ABBI#: 10103883  
SIRE: TWO GUNS (GUSLINGER)  
DAM: CCC58

The Texas Breeders Classic Futurity is the largest NBBA futurity every year. The last three years, we have won approximately \$100,000. First place pays close to \$30,000 and if you have an incentive bull they can pick up an extra \$5,000. We believe this bull has a great chance to win \$30,000+ at that one futurity next year and of course a lot more at other futurities. **WE ARE SELLING 50%**; however, the buyer will have the option to double the bid and purchase 100%.

DAM: 87 (HAIR RAISER ROCKER)

We mentioned intensity. This bull definitely has what it takes to become a champ. This bull was born a little late so he was small when we bucked him, but he will catch up and he is worthy of some TLC as he has exactly what we look for when we buck them the first time. If you look at picture and video, he is already catching up.

DOB: 7/28/2009 • ABBI#: 10094138  
SIRE: CHARLIE BULLWARE  
DAM: 770 (BODACIOUS)

We purchased a set of bulls, and when we got them delivered to the ranch some of them were not in the best of shape. We did not have time to get them strong before bucking as we needed videos from the sale. THIS IS A SPECIAL BULL in a lot of ways. He is the only Charlie Bullware (son of Whitewater) bull in the sale and the only one that we know of that has ever been sold. Although he wasn't in very good condition the day we bucked him, he does everything right. Just imagine this bull with another 300 pounds on him. We believe he will be outstanding!

DOB: 2/21/2006 • ABBI#: 10047164  
SIRE: LITTLE HOUDINI(WHITE SPORTS COAT)  
DAM: 57RK(SMOKIN JOE)

Will purchased this bull to compete at Classics, and now that he is done with Classics, he needs to sell him to someone who needs a great bucking bull. This bull will work at any level(PBR,PRCA or bull ridings) and he would make a great herd sire as he also has some super genetics.

SIRE: FRAGGLE ROCK  
DAM: RC203(HIGH VOLTAGE)

This bull is out of proven Roy Carter Genetics. The Felbergs purchased this bull to compete this year at the Classic events. The bull was not good enough to win at the Classics but he is good enough to go just about anywhere now (PBR, PRCA, open bull ridings) and will make his owners proud. If you can use a good bucking bull, this is the bull for you.

We purchased this bull in a set of bulls and we never could find his sire, but WHO CARES when they buck like this. We thought enough of him to still nominate him for the American Heritage so he will have a shot to win 100K plus next summer. He gets up in the front end and up in the back end and spins close to the gate. Certainly he will be a contender next year.
